?? Core Responsibilities

1. Brand Identity Management

Maintain visual consistency across all channels (website, packaging, social)

Protect brand tone: soft, elegant, romantic, and meaningful

Update brand guidelines as needed

2. Content & Campaign Strategy

Plan seasonal and monthly marketing campaigns

Build emotional storytelling through content

Coordinate with content creators and stylists for shoots

3. Product Launch Planning

Lead end-to-end execution of new launches

Craft launch stories and themes (e.g., Motherhood, Divine Love)

Schedule multi-platform rollouts (social, email, banners)

4. Social Media Management

Create monthly calendars with reels, stories, and product highlights

Engage with followers; build community through comments and DMs

Run giveaways, partnerships, and influencer collabs

5. E-Commerce Experience

Ensure website aligns with brand feel and UX is intuitive

Write SEO + emotionally rich product descriptions

Manage homepage visuals and banners

6. Customer Love & Loyalty

Personalize packaging (e.g., thank-you notes, soft pouches)

Develop loyalty and referral programs

Share UGC and customer testimonials regularly

7. Trend & Market Research

Monitor jewelry trends, color palettes, and buyer behavior

Watch competitors like Mejuri, VRAI, Ana Luisa

Recommend product ideas and positioning updates

8. Influencer Outreach & Brand Collaborations

Identify influencers aligned with love/faith/sisterhood

Build partnerships and ambassador programs

Manage gifting and reposting strategy

9. Data & Performance Tracking

Report key metrics: engagement, sales, retention

A/B test content and refine strategies

Analyze product performance and audience insights

10. Team Collaboration

Align designers, marketers, and manufacturers

Provide simple brand guides for freelancers

Organize team briefs and deadlines

Tool Stack:

Canva / Adobe for visuals

Google Analytics / Shopify Dashboard

Klaviyo / Mailchimp for email

Notion / Trello for planning
